Dreams2Live4 is a not-for-profit organisation whose supporters are passionate about making good things happen amidst the nightmare of cancer. We know it is a battle that is mental as well as physical.

We help adult patients with all types of metastatic cancer, and they all have their own unique dreams. We have had weddings, swimming with dolphins and hot air ballooning, Photography and reunions. Family holidays and romantic weekends. Spa days and special dinners. Meet and greets with celebrities from sporting stars to TV hosts. A Dream is the chance to celebrate what you love.
